

**REMARKS**

Claims 1 through 19 continue to be in the case. New claims 20 – 21 are being introduced. New dependable claims are based on the language of claim 4.

Claims 1, 4, 6, 7, 9, 10, and 19 are being amended to eliminate minor typographical errors and to present claims in a better form for allowance.

The present amendment also includes a statement that the Substitute Specification, filed on April 25, 2005, does not contain a new matter.

Reconsideration of all outstanding rejections is respectfully requested. All claims as presently submitted are deemed to be in form for allowance and an early notice of allowance is earnestly solicited.

Respectfully submitted,

Hanns Rump et al.
